

ITB No. 6075 - Partial Casework Replacement
NORTH SIDE ELEMENTARY SCHOOL
Johnson City, Tennessee

SHAW & SHANKS ARCHITECTS, PC
205 East Unaka Avenue
Johnson City, TN 37601

ADDENDUM NUMBER TWO
October 21, 2016

The original Project Manual and Drawings, dated September 30, 2016, for the above project are amended as noted in this Addendum. Receipt of this Addendum shall be acknowledged on the Bid Form on which the Contractor submits his bid.

This Addendum consists of one (1) page and the attachments noted herein.

SPECIFICATIONS:

ADD 2-1 Refer to Specification Section 12 30 00 – Plastic Laminate Casework (dated October 3, 2016 as issued as part of Addendum No. 1), and the following revisions/clarifications:

- a. Refer to 1.05 – Qualifications. Delete Item “B” regarding Scientific Equipment and Furniture Association (SEFA) requirements. The testing and documentation listed in paragraph “B” is not required.
- b. Refer to 2.05, F – Locks. Cam locks are acceptable, but need to key each teacher’s wardrobe to one tall cabinet in the corridor, so each teacher has a unique key for her wardrobe in the classroom and the same key for one tall cabinet in the corridor. Additionally, it would be necessary for there to be a master key for Administration to open all keyed cabinets.
