

**CITY OF JOHNSON CITY**  
**APPLICATION TO SUPPLEMENT NEIGHBORHOOD TRAFFIC CALMING**

To be considered for a traffic calming plan supplement in your neighborhood, please complete this application completely. This form may not be used where a traffic calming plan has not already been installed in the neighborhood. The program is approved and funded by the City Commission for neighborhood streets; streets designated as arterial and collector streets on the Johnson City Zoning Map will not be considered for traffic calming through this program. The applicant is encouraged to review the process steps and parameters for the program, available at [www.johnsoncitytn.org](http://www.johnsoncitytn.org) under Traffic, prior to completing an application (a printed copy of the steps and parameters are available upon request).
